

Verification of Cisco Compatibility

Cisco Systems, Inc., verifies that **OceanFax Fax Server, 3.0**, a product offering from **OceanX Technology Limited**, a member of the Cisco Developer Network, has tested compatible with the Cisco products specified below on **04/2014**

Product and Version

- OceanFax Fax Server, 3.0

Cisco Systems, Inc. Product and Version

- Cisco Unified Communications Manager, 10.0

OceanFax Fax Server, 3.0 has tested compatible with Cisco Unified Communications Manager, 10.0. The Cisco Compatible logo signifies that OceanX Technology Limited's product has undergone interoperability testing by OceanX Technology Limited together with Cisco, based on testing criteria set by Cisco. OceanX Technology Limited is solely responsible for the support and warranty of its product. Cisco makes no warranties, express or implied, with respect to OceanX Technology Limited's product or its interoperation with the listed Cisco product(s) and disclaims any implied warranties of merchantability, fitness for a particular use, or against infringement. Cisco has the right to revoke this verification of compatibility at any time. For the latest status of the products and versions tested, please refer <http://developer.cisco.com/web/partner/search>. This certificate is valid until the Cisco product has reached End of Support (EOS) or at anytime that the named party on the certificate is no longer a member of the Cisco Developer Network.
